As one group, move off after everyone has been briefed and checked up on.</p> <p>Members will apply the skills learnt during training in the urban skating (e.g. T-stop slow down/stop when moving too fast)</p> <p>Step Procedure for Crossing the Road in Groups:</p> <ol style="list-style-type: none"> <li>1. Stop at the traffic light When reaching a road crossing, the Vice President (leading the way) signals for everyone to stop at the waiting point. The President (last skater) ensures all members have gathered before instructions are given.</li> <li>2. Form Small Groups Members are instructed to split into smaller groups of 5-6 skaters for easier and safer crossing. Each group will have at least one EXCO within it.</li> <li>3. Check Traffic &amp; Crossing EXCO checks the traffic lights or ensures it is safe to cross. No group moves until the signal is given. The first small group crosses together, led by an EXCO. Once the first group has reached the other side safely, the next group begins to cross, and so on.</li> </ol> <p>The President will remain behind with the last group to ensure no one is left stranded. After the final group crosses, the President does a headcount before continuing the journey.</p> <ol style="list-style-type: none"> <li>4. Regroup &amp; Continue All groups wait at the other side until everyone has crossed.</li> </ol>	<p>Head count will be done to ensure everyone is present.</p> <p>Matin, the Vice President will lead the way, while Chloe, the President, will be the last man to ensure that no one is left behind</p>
